EXPERIENCE

since 07/2026	BIGM, Munich. Marketing manager, part-time. Social media presence and brand identity for a B2B AI sales-automation platform.
since 02/2026	CoLaunch, Istanbul. Co-founder, colaunch.app. Platform matching startup ideas with talent; 3rd at Boğaziçi Enterprize; national level among JA Startup teams; YTU Entrepreneurship semi-final.
10/2025 to 02/2026	Kaesar Kompressoren. TUM circular economy project, team of five. Take-back scheme and product as a service model; my part was the Scope 3 method and the ESPR and Digital Product Passport reading.
10 to 11/2025	SILREAL GmbH, Berlin (remote). Consultant intern. Worked in the team on a market entry research project; built the client facing slides.
05 to 09/2025	Microbify GmbH, Straubing. Market expansion consultant, project study. Mapped and sized three B2B segments; market-entry strategy with KPIs and risk assessment. Graded 1.0 by TUM.
07 to 08/2024	HTE Industrial Control Systems, Istanbul. Sustainability consultant intern. Went through the reporting obligations and separated what applied to a controls manufacturer from what did not.
03 to 04/2024	Tuğçelik Alüminyum, Istanbul. Sustainability intern. Collected fuel and electricity data across the production sites and built a Scope 1 and Scope 2 inventory from it.

EDUCATION

2024 to 2027	Technical University of Munich. BSc Sustainable Management & Technology, 5th semester from 10/2026
2025 to 2029	Istanbul University. BSc Economics, remote
2023 to 2024	Yeditepe University. Management Information Systems, transferred to TUM
